**Information
and advice**
for families in Kamen

What is Villa FIB?

Family - Information - Advice

At Villa FIB it's all about the family. We offer you comprehensive information, support and advice on all aspects of family-relevant topics. We have bundled various services under one roof:

- Expert advice children's day care
- Family midwife
- Family service for families with newborn babies
- Advice and support of refugee families
- School social work and advice on services according to the educational and participation package

In keeping with this, the helpdesk for children, young people and parents in the towns of Kamen and Bergkamen is also represented in the Villa FIB with a focus on educational counselling.

Besides the special services, Villa FIB is ultimately a contact point for families with questions of all kinds.

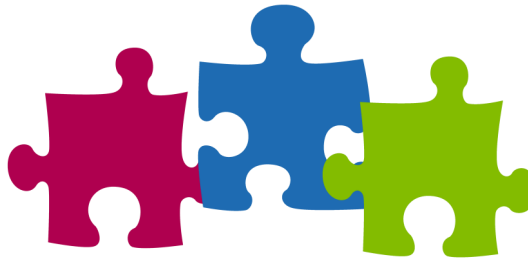

We look forward to meeting you and tailoring our offers to your personal needs.

Turn to us in confidence; we are subject to the obligation of secrecy.

We are there for you!

We ...

- provide advice on school matters,
- strengthen and mediate in family problems,
- provide support with the application for the educational and participation package,
- help you find suitable leisure, cultural and sports activities,
- provide information on various child development and educational measures,
- give advice on offers for pregnant women and young families,
- put you in touch with our network partners on request,
- advise parents on care options in children's day care and arrange places for children,
- qualify day care staff,
- advice and support of refugee families
